ATTENTION PARENTS:

What you think matters. Please complete the parent survey on our web site at: www.heirforcecs.com. Click on our Parent Heir Mail link to access the Parent Survey. We want to know how you think we are doing. Please complete this survey by Friday, March 5th.

Your Student's Classes at a Glance:

Reading/Language Arts

In reading this week, 2nd grade will identify the main idea and supporting details of stories and paragraphs. We will be working with words have the ex- sound. We will also be identifying prefixes and their meanings. In writing we will continue to write from the three author's purposes: to inform, persuade or entertain.

Math:

In math this week 2nd graders will learn how to use a calendar. We will also be discussing equivalent times such as 7 days equals a week, 12 months equals a year, etc. As part of the math test next week, we are going to ask students to list the 12 months in order and spell them correctly. This is also one of their goals for Social Studies. Therefore, please help your students study the months in order and spell them correctly.

Science:

In science this week we are starting a study of Ohio plants and animals and their habitats. On our trip to the Boonshoft Museum, students will participate in a special program that also discusses this topic.

Social Studies:

In Social Studies this week we will study daily life in the past. We will learn what they ate, how they played, what type of work they did. We will eventually compare and contrast daily life in the past with daily life now.

Music:

Parents...The SPRING EXTRAVAGANZA will have PARENT ACTS ALSO!! It is going to be on May 7th, 2010. Take time now to start thinking how YOU can take part!!!

Spanish:

Students will begin to making conversation sentences to words that they have already learned. They are also reviewing the weather words and months for upcoming quiz. Watch the newsletter for dates. Please encourage you child(ren) to study for the quiz. They will be taking a study guide home this week.
