HEIR FORCE
COMMUNITY
SCHOOL ANNUAL
REPORT**

Dear Parent,

We are proud to present to you our annual report for the 2010-2011 school year. Enclosed within the report is information on how the school performed academically and financially, as well as the overall makeup of the school, it's teachers and school board members. We hope that this report gives a relatively thorough perspective of the school as a whole. As with any school our goal is to improve annually in every area.

During the 2010-2011 school year, our school met or exceeded our previous rankings in three of the four areas measured in the Ohio School year Report Card. We maintained our highest number of indicators met at 7 while we raised our performance index to 89.4, the highest in our school history. Lastly, in the area of Value Added the school exceeded the expectations of the state of Ohio as it pertains to student growth over a nine month period of time. The Heir Force Community School received an overall Effective designation from the Ohio Department of Education.

Ohio Revised Code (ORC) 3314.03 (D) (2) specifies “the sponsor of a community school shall monitor and evaluate the academic and fiscal performance and the organization and operation of the community school on at least an annual basis. Additionally, the sponsor must report the results if the evaluation conducted under division (D) (2) of the code to the department of education and to the parents of students enrolled in the community school.”

The Lucas County Educational Service Center (LCESC) served as sponsor during the 2010-2011 school year, monitoring the performance of Heir Force Community School. LCESC determined that the school was overall compliant in the areas of academic and fiscal performance and in the areas of organization and operation of the school.
